Stamholmen 159, 2650 Hvidovre, Denmark
Tel.: +45 3687 4525
Mail: rejseforsikring@if.dk

This is to certify that the holder of this certificate is insured as shown on the reverse for medical expenses in connection to illness, injury and

repatriation, while being abroad. In the event of death whilst abroad, the policy also covers the cost of repatriating the deceased.

A doctor at IfAssistance will contact the physician/hospital treating the insured to agree to the suggested treatment. If required and it is safe to do so, then the insured will be transferred to either a superior medical facility or repatriated.

In the event of transfer or repatriation, the doctor at If Assistance will decide how and when the transport can be arranged in close cooperation with the treating physician of the insured.

If requested, IfAssistance will advance payment or provide a guarantee of payment for the cost of the medical treatment in connection to illness, injury and/or repatriation.

This card is the property of If P & C Insurance, Denmark and must be returned upon request.
